PROFESSIONAL SUMMARY

Results-driven Full-Stack Developer with hands-on expertise in building scalable web applications and user-friendly interfaces. Skilled in JavaScript, TypeScript, React.js, Node.js, Express, and proficient with both PostgreSQL and MongoDB for robust backend solutions. Adept at developing and consuming RESTful APIs, implementing responsive web design, and ensuring seamless cross-platform performance. Passionate about crafting clean, efficient code and collaborating with cross-functional teams to deliver impactful digital products.

SKILLS

Programming: JavaScript, TypeScript, HTML, CSS

Frameworks: React, Node.js, Express.js, Bootstrap

Databases: MongoDB, PostgreSQL, MySQL

Tools: Git, GitHub

Languages: English, Tamil, Malayalam

PROJECTS

Note Space, React, Java Spring Boot, MySQL, Clerk Authentication
- Built a full-stack application for storing notes and memories with text and images.
- Implemented authentication using Clerk and database integration with MySQL.

Personal Portfolio, HTML, CSS, Bootstrap
- Designed and developed a responsive portfolio website to showcase resume, projects, and education.
- Integrated smooth navigation, downloadable resume, contact form, and social media links.

Gran Turismo, HTML, CSS (Bootstrap), JavaScript
- Created a premium front-end car dealership website.
- Delivered an immersive, responsive virtual showroom for luxury and sports cars.

HUGS (Healthcare Utility & Guidance System), MERN Stack, Razorpay, Authentication
- Developed a full-stack healthcare booking and management application.
- Features include patient registration, doctor/admin dashboards, secure Razorpay payments, and appointment scheduling.

INTERNSHIP EXPERIENCE

Cranes Varsity, Java Full Stack Development | Bengaluru
- Trained on Java, Spring Boot, and database integration.
- Collaborated in building small-scale web apps as part of training modules.

Techolas Technologies, MERN Stack Development | Kochi
- Worked on front-end components using React and Bootstrap.
- Assisted in building APIs with Node.js and Express, applying Git version control.

EDUCATION

Bachelor of Computer Applications (BCA)
Acharya Institute of Graduate Studies | 2024 | **80%**

CERTIFICATIONS
